

The Three Pillars of Transforming Care

Creating a context for healing in the *Other 23 Hours*

TRAINER UPDATE

To maintain certification to train the *Three Pillars of Transforming Care* in their agency, accredited trainers are required to successfully complete an Update once in every three years. The Update will address current developments in the field.

- In this Update we will explore in more depth our understanding of traumatic re-enactment.
- We will revisit and reflect upon how our programs recognize, and develop skills for responding to, the three core traumagenic needs:
 - Safety – emotional, physical and cultural
 - Connection – including connecting to the school and community and developmental relationships
 - Coping - with both emotional arousal and intrusive thoughts.
- We will introduce new video materials and participants will receive an updated Training Manual and USB containing material needed to deliver a high quality in-house training program.
- Successful participants will be accredited to deliver the *Three Pillars* training to the workers, carers or clients of their agency or organisation.

Presented by Dr Diana Boswell

18 October 2018 (9 am – 5 pm)

Airport International Motel, 528 Kingsford Smith Drive, Hamilton QLD 4007

Name: _____ Position: _____

Agency: _____

Postal Address: _____

City: _____ State: _____ Postcode: _____

Telephone: _____ Mobile: _____

E-mail address: _____

Special Dietary Requirements: _____

Tuition fee: \$350.00 (includes GST, lunch/refreshments, all course materials)

Cancellation policy: There will be a \$50 service charge for cancellations prior to 27 September 2018. No refunds can be made after that date. If the course has to be cancelled due to illness of a presenter or another unforeseen event, liability of TWI is limited to refund of fees paid.

Confirmation and Payment: Confirmation of your registration and a tax invoice with payment options will be emailed to you when your form is received. NB Credit card facilities are not available.

The Three Pillars of Transforming Care course is based on research evidence, current clinical perspectives and years of experience with children and young people with complex needs and challenging behaviours.
